DEUTSCHE ZENTREN DER
GESUNDHEITSFORSCHUNG

Judith Houtman is originally from the Netherlands and obtained her PhD in Neuroscience from the Charité in Berlin. After a postdoc at the DZNE in Dresden, she re-evaluated her career goals, and decided to embark on a new career path in science management. She is now the scientific coordinator of a Collaborative Research Center (SFB) in Bonn and will share her path to this decision and her experiences as a science manager.
